WORLD-CLASS PROVIDER OF  
**RELIABLE, COMPETITIVE & EFFICIENT**  
LOGISTICS SERVICES

**A tradition of dependable service**  
**High ethical standards**  
**Synergy of leadership style, customer focus and continual improvement**

### **Our Mission**

Our mission is to be known as a quality service provider in the business of global transportation, logistics and freight management. To grow our business along with our customers and offer services which are reliable, competent and efficient.

### **Advantages**

With more than 69 years of regional shipping experience, we have built for ourselves a solid reputation for providing quality and reliable logistics services. The experience and competence of our staff have enabled us to meet the demand of the market and to constantly improve our range of services.

## LOGISTICS SERVICES

### ABOUT US:

**Subramany Shipping Agencies (P) Ltd.** is an International Freight Forwarder established by **Mr. A. Venkatachalam Iyer** in Tuticorin, India in the year 1942. We are a traditional, family owned business maintaining the standards set by our predecessors of a solid, reliable freight forwarding company combined with updated technology, bringing efficiency to business to provide unmatched personal service which has grown over the years and today is a stable company with a sound financial foundation and a reliable global network of logistic partners.

The excellent reputation we enjoy today has been earned over a long period of time and it also reflects the high standards of business conduct and ethics used by the Company and its personnel in dealing with customers, vendors, local community and the various government agencies.

### SERVICES:

Subramany specializes in worldwide forwarding by air, sea and land. We offer a spectrum of logistics services, which includes forwarding, consolidation, custom clearance, transportation and all other allied services related to shipping trade, making it a one stop logistics shop. As a full logistics service provider our mission is to satisfy all our customers' needs, and thereby assuring them that their cargo is in safe hands.

The experience and competence of our staff have enabled us to meet the demand of the market and to constantly improve our range of services, including:

- Registered Multimodal Transport Operator
- Worldwide shipment by Air, Sea and Land
- Consolidation Services
- Value Added Logistics
- Customs Clearance
- Complete Documentation - Pre & Post Shipment
- Warehousing
- Project Cargo
- Ship Agency
- Breakbulk Cargo Handling
- One Stop Logistics Shop

### Strengths:

- A tradition of sincere service to customers
- A strong reputation for responsiveness
- Commitment to ethics, transparency and professionalism
